## TYP ATESTACE: ZÁPOČET

### PODMÍNKY UDĚLENÍ ATESTACE

1. Students are expected to prepare assigned texts (transliteration, translation and grammatical analysis) and actively participate during the sessions.
2. Students are expected to attend a minimum of 9 out of 12 sessions. In case that a student misses more sessions the credit (zápočet) can still be obtained by fulfilling individual assignments, equivalent to the number of sessions missed.
3. The credit (zápočet) can only be assigned **after** students have successfully passed the exam of “Úvod do klasické egyptštiny” (Mgr. R. Landgráfová, PhD) or have successfully passed a similar exam of Middle Egyptian grammar at another university

### COURSE SUMMARY

During the spring semester, the class will focus on two specific corpora of Middle/Classical Egyptian Texts:

- a. Reading and analysing passages from a cult-religious corpus, specifically the Daily Temple Sanctuary Ritual. Variants of one and the same passage of the ritual (from different regions/periods) will be confronted and discussed.
- b. Reading and analysing objects from a funerary/mortuary context, such as false doors etc.
